Service Training A-Series Machine Hygiene

Machine hygiene training:

The main objective of this course is providing our customers with the confidence and knowledge they require to be competent whilst working on Sealpac equipment. Our course offers a broad understanding of the machine's cleaning protocol and allows our customers to understand all the safety aspects of the machine so it can be maintained safely and efficiently.

Course content:

- Machine introduction
- Machine overview
- Machine & tooling basic maintenance
- Understanding machine cleaning areas
- Understanding warning signs
- Understanding safety guards and emergency stop circuits

Machines	Delegates	Duration	Time	Fee per person
A-Series	6 Max	1 Day	9am-5pm	£450 + VAT
Lunch and beverages will be provided during the entire course.
